**Annual Work Plan Updates**

November deliverables include the Rural Consultation Review. Information about how to access this survey was given to the committee via email and was also included in the presentation. Ms. Flores also requested the committee review the RTC draft calendar for next year as this will be sent out with the committee membership to KYTC in January.

**Presentations**

ADD staff Natalie Flores presented on SHIFT 2020 and transportation news and updates. This included an overview of the SHIFT calendar, REAL-ID updates, information about KYTC surveys, such as the request for review of the PIP and the rural consultation surveys, among other newsworthy topics. The presentation was sent out to the committee after the meeting and can be requested by contacting Natalie Flores at [nfesquivel@bgadd.org](mailto:nfesquivel@bgadd.org).

### **Reports from the Highway Districts**

Judge Dedman then recognized the representatives of six District Highway Offices (DHOs), who presented updates of projects of interest in their respective areas. Present were Districts 5, 6, 7, 8, 9 and 10.

### **Other Business**

The committee welcomes James Jones as the new highway engineer for District 8. Amanda Haney made the motion to adjourn with Jared Hollon second. The next meeting will be held January 11, 2021 at 1:30 pm.
